

ToP Facilitative Leadership Programme

Achieve a step change in productivity and engagement

What it is

The ToP Facilitative Leadership Programme is a people-centred, results-driven, kaupapa informed leadership approach.

Globally tested and proven process tools and methods are supported by a body of knowledge and values.

It builds capability, understanding and performance in a highly participatory, experiential learning environment.

What's involved

This globally recognised programme adapted for Aotearoa New Zealand's cultural context comprises six learning areas* (up to 17 days), delivered to a timeframe of your choice.

* Learning areas can be run as stand alone courses.

It equips participants with practical, immediately useable skills, in-depth knowledge and the personal transformation required to be an effective facilitative leader.

Who is it for?

Anyone needing to get the best from a group or team:

- Leaders, managers
- Facilitators, management consultants, trainers and coaches
- Community development workers
- Engagement practitioners
- Learning and organisational development providers.

METHODS FOR PARTICIPATION & INCLUSION

Skills to facilitate collaborative thinking, planning and solution finding in a culturally inclusive way.

MODELS FOR UNDERSTANDING & CO-CREATING CHANGE

Frameworks for understanding behaviours, structures and cultures and the know-how to generate new thinking and understanding.

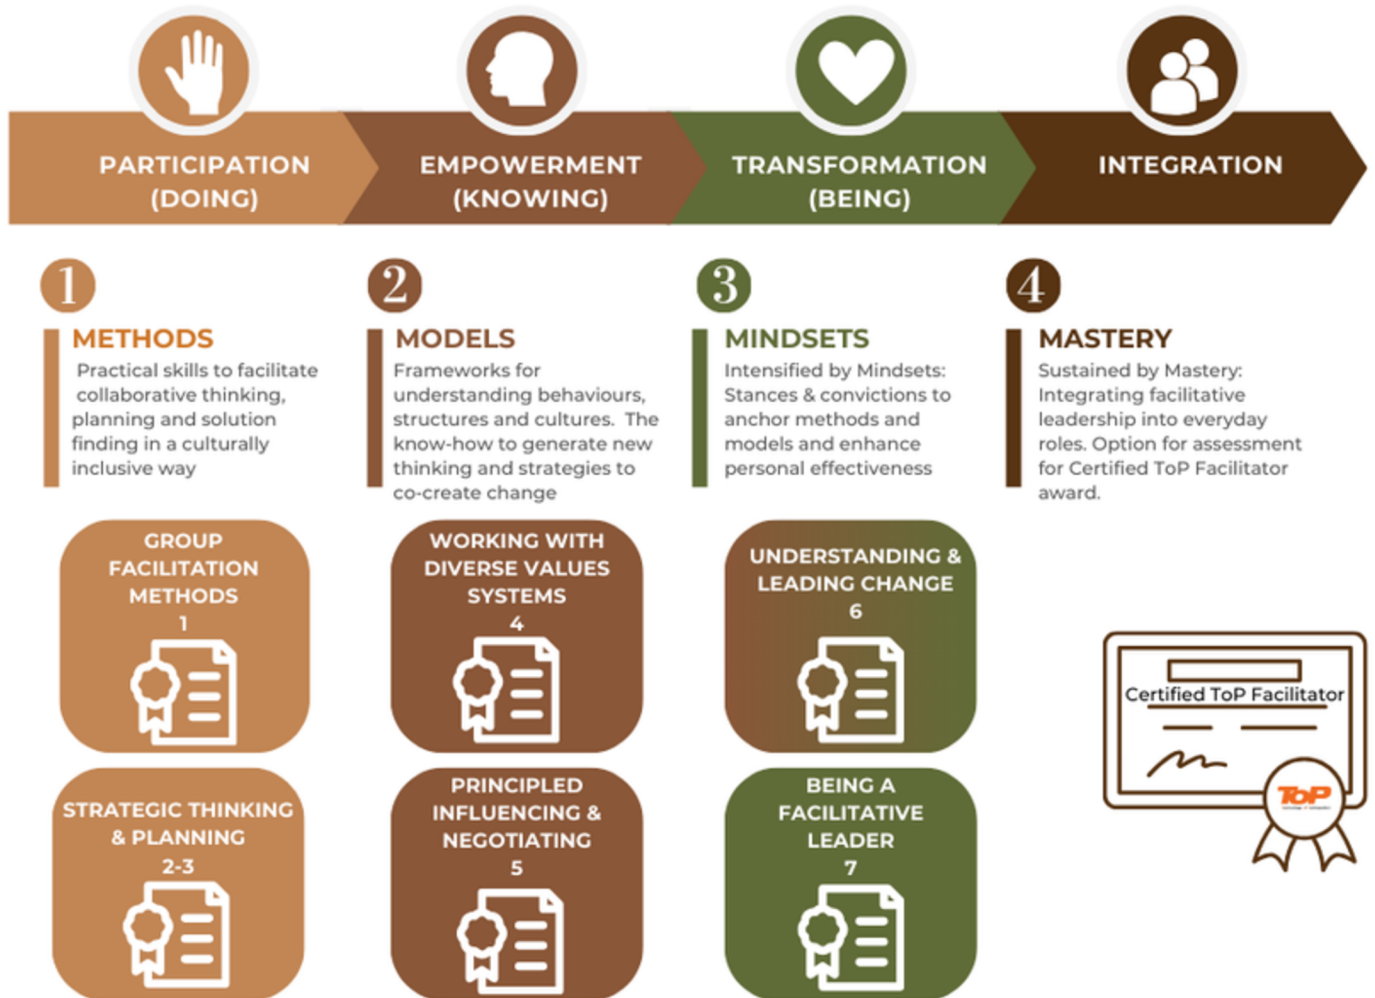

MINDSETS FOR AUTHENTIC, ETHICAL LEADERSHIP

Stances for anchoring methods and models and integrating authentic, ethical facilitative leadership in group or organisation roles.
